This is not an investment research call. The views and strategies described may not be suitable for all investors. This call is not intended as personal investment advice or as a solicitation or recommendation. If you are considering any investment or strategy, you should speak with your Bulltick representative before investing.

Analyst Certification

The analyst(s) primarily responsible for the preparation of this report hereby certify that all the views expressed herein accurately reflect their personal views only. The analyst(s) also certify that no part of their compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed in this report.

Important Disclosures

Principal/Agency Trading:

Bulltick and its affiliated entities, employees, officers, and directors may deal on a principal and/or agency basis in transactions involving currencies, markets, sectors and/or securities referred to herein (or related derivatives or other instruments related thereto), including in transactions which may be contrary to any recommendations contained herein.

The Firm's Analysts may interact with sales and trading personnel in the ordinary course of business. Such sales and trading personnel may trade and/or have proprietary positions in the securities (or in related derivatives) that are the subject of this report, and the Firm's interest may conflict with the interests of investors in those instruments.

Analyst Compensation:

The costs and expenses of research, including the compensation of the analyst(s) that prepared this report, are paid out of the Firm's total revenues, a portion of which are generated by fixed income division and investment banking activities.

Conflict Management:

Research personnel are not subject to the direct or indirect supervision or control of any other Firm department (or members of such department).

Other Disclaimers

Bulltick and its subsidiaries, affiliates, shareholders, directors, officers, employees, and licensors (“The Bulltick Parties”) will not be liable (individually, jointly, or severally) to you or any other person as a result of your access, reception, or use of the information contained in this document for indirect, consequential, special, incidental, punitive, or exemplary damages, including, without limitation, lost profits, lost savings, and lost revenues (collectively, the “Excluded Damages”), whether or not characterized in negligence, tort, contract, or other theory of liability. The information contained in this document has been obtained from sources believed to be reliable, although its accuracy and completeness cannot be guaranteed. All opinions, projections and estimates constitute the judgment of the author as of the date of the report and these, plus any other information contained herein, are subject to change without notice. Prices and availability of financial instruments mentioned are also subject to change without notice.

Bulltick and its affiliated companies have not taken any steps to ensure that the recommendations referred to in this report are suitable for any particular investor. The Report is for informational purposes only and is not intended as an offer or solicitation for the purchase or sale of any financial product. Securities and financial products mentioned in the report are subject to investment risks, including the possible loss of the principal amount invested.

The financial instruments mentioned in this document may not be eligible for sale in some countries. The Report is not to be construed as providing investment services in any jurisdiction where the provision of such services would be illegal. Bulltick and its subsidiaries do not render accounting, legal or tax advice.

Investing in non-US securities or markets, may entail additional risks. Securities of non-US issuers may not be registered with and may not be subject to the reporting requirements of the US Securities and Exchange Commission. There may be limited information available on foreign securities or markets. Foreign companies are generally not subject to uniform audit and reporting standards, practices, and requirements comparable to those in the US. Investments in foreign markets may be less liquid and their prices more volatile than those comparable in US. In addition, exchange rate movements may have an adverse effect on the value of an investment in a foreign market.
